**To whom so ever it may concern**

I am really delighted to say that the software supplied by the Bees software Solutions is excellent in all respects for conducting examinations and processing results.

The Features of Bees Examination Tool is best suited for the Engineering Education and it is the best solution for smooth handling of examination related activities.

They are doing customization to the software as per our requirements. Bees Team is very active and helpful in solving software related issues and providing timely services for our requests.

I wish Bees Team "All the best" in their future endeavors
